Note for the council.

C4.No.1/1948.

Town Planning - Mangalore Municipality - General Town Planning scheme - Preparation, publication and submission to government - Extension of time.

This municipality is one of those chosen by the Government for the preparation of General Town Planning scheme under the personal supervision of the Junior Town Planning Expert. The preliminary survey work and collection of statistics carried on by the two temporarary surveyors out of the four sanctioned for the purpose continues to be in progress and particulars have been collected so far in respect of about 70% of the town comprising revenue wards 1 to 7 and portions of ward 8. The particulars in respect of the remaining portion of ward No.8, the extended area and that bordering villages have yet to be collected and provision has been made in the Revised budget for 1947--48 and the Budget estimate for 1948--49 for the continuance of the present staff and for entertaining two more temporary surveyors on the hope of getting the services of the required technical personnel so as to enable the expediting and completing the preliminary work by the end of the year 1948--1949 and the working of the scheme thereafter.

As according to orders of government issued in G.O.No. Ms.Rt.158, P.H., dated 29-5-46 the extension of time granted is to expire on 31-12-1947, it is suggested that the council may request government to grant a further extension of time, till the 31st December, 1949, for the preparation, publication and submission of the General Town Planning scheme in respect of all the land within the municipality and in its vicinity.
